## **2. DETAILS OF THE PROPOSED MANDATE**

### **2.1 The Proposed Mandate**

Paragraph 10.08 of the Listing Requirements stipulates the obligations of a listed issuer to comply with in relation to Related Party Transactions. However, pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from shareholders in respect of RRPT, subject to the following:-

- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements.

An interested Director or interested Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions; and
- (e) an immediate announcement is made to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and the announcement must include the information as may be prescribed by Bursa Securities.

Where a listed issuer has procured a shareholders' mandate in respect of RRPT, the provisions under paragraph 10.08 of the Listing Requirements will not apply to the RRPT which are comprised in the said mandate.

The Proposed Mandate, if approved by the shareholders of the Company at the forthcoming 24<sup>th</sup> AGM, is subject to annual renewal and will continue to be in force until :-

## **2.5 Outstanding amount due and owing by Related Party**

As at the LPD, there is no outstanding amount due and owing to the Group by its Related Party.

## **3. RATIONALE AND BENEFITS FOR THE PROPOSED MANDATE**

The RRPT entered into or to be entered into by the Group are in the ordinary course of business and are intended to meet the business needs of the Group at the best possible terms so as to achieve synergistic benefits within the Group. These transactions are likely to occur with some degree of frequency and may be constrained by the time-sensitive nature and confidentiality of such transactions, thus rendering it impractical to seek shareholders' approval on a case by case basis before entering into such transactions.

By obtaining the Proposed Mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such RRPT occur would not arise. This would substantially reduce the time, administrative requirements, and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The Related Parties which are involved in the RRPT have proven their reliability and expertise in their respective fields. In certain instances, the Related Parties provide the Group the support for its operational needs, thereby enabling greater efficiency and effectiveness in the utilisation of the Group's resources.

## **4. REVIEW PROCEDURES**

To ensure that the RRPT are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders and that they are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the shareholders, the Board will ensure that all transactions with Related Parties will only be entered into after taking into consideration the pricing, level and quality of products and support services, and the review procedures as stated below.

The Board has established the following review procedures which are to be carried out for each RRPT:

- (a) Records will be maintained by the Company to capture all RRPT entered into pursuant to the Proposed Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to.
- (b) On a periodic basis, the procedures and guidelines pertaining to RRPT will be reviewed by the Senior Management of Omesti and the Audit and Risk Management Committee to ensure that the terms of the transactions are not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders.
- (c) Where any person(s) has an interest in the RRPT to be reviewed, such person(s) shall abstain from deliberation and voting in respect of such transactions.
- (d) Disclosure shall be made in the annual report of a breakdown of the aggregate value of all transactions conducted pursuant to the Proposed Mandate during the financial year and in the annual reports for the subsequent financial years during which the shareholders' mandate remains in force. In making such disclosure, a breakdown will be provided of the aggregate value of the RRPT conducted pursuant to the Proposed Mandate during the current financial year, amongst others, based on the following:-
  - (i) the type of the RRPT made; and
  - (ii) the names of the Related Parties involved in each type of RRPT and their relationship with the Omesti Group.

There are no thresholds for approval of RRPT within the Omesti Group. However, all RRPT are subject to the approval of any one of the Senior Management of Omesti namely, the Finance Manager and/or any one of the directors of the respective companies.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Omesti Group based on its usual business practices to ensure that the RRPT is not detrimental to the Omesti Group and the minority shareholders.

## 5. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has reviewed the procedures mentioned in section 4 above and is of the view that the said procedures are sufficient to ensure that the RRPT is not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Omesti Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner. These procedures and processes will be reviewed annually or as and when necessary.

## 6. CONDITION FOR THE PROPOSED MANDATE

The Proposed Mandate is conditional upon approval being obtained from the shareholders of Omesti at the forthcoming 24<sup>th</sup> AGM.

## 7. FINANCIAL EFFECTS

The Proposed Mandate does not have any effect on the issued and paid-up share capital and Major Shareholders' shareholdings of Omesti and is not expected to have any material effect on the consolidated earnings and NA of Omesti.

## 8. INTERESTS OF THE DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED WITH THEM

Plaintiff : Foster Moore International Limited  
Defendant: Formis Network Services Sdn Bhd (“FNS”)

Omesti together with FNS, an indirect subsidiary of Omesti (collectively, the “Defendants”), had on 13 May 2020 received a writ of summons and statement of claim both dated 2 April 2020 from Foster Moore International Limited (“Plaintiff”) alleging that FNS had failed to pay the Plaintiff for works done in accordance with a master service agreement dated 20 November 2017 entered into between the Plaintiff, Omesti (as corporate guarantor to guarantee the payment obligation of FNS) and FNS. The works in question relate to the provision of services and deliverables by the Plaintiff to FNS in connection with an online register of companies solution for the Companies Commission of Malaysia (“CCM”).

The Plaintiff sought, *inter alia*, the following orders from the Kuala Lumpur High Court (“the Court”):

- (a) that the Defendants jointly and severally pay the Plaintiff an outstanding sum of USD0.8 million;
- (b) interest at the rate of 1.5% per month for the sums due and owing amounting to an aggregate sum of USD0.8 million, calculated from the due date, being no later than 30 days after the date of the invoice or the date of issuance of the invoice, until the date of judgment;
- (c) post-judgment interest at the rate of 5% per annum on the judgment sum from the date of judgment until full and final settlement of the same;
- (d) costs; and
- (e) any further and other relief as the Court deems appropriate.

The Defendants filed a statement of defence and counterclaim against the Plaintiff on 10 July 2020. In the counterclaim, the Defendants claimed for, amongst others:

- (aa) damages for overpayment to the Plaintiff; and
- (bb) licence fees in the approximate sum of USD1.0 million.

Subsequently, the Plaintiff filed its reply and defence to counterclaim on 4 September 2020 and the Defendants filed their reply to the Plaintiff’s defence to counterclaim on 16 October 2020. Further the Defendants had received the Plaintiff’s amended reply to defence and counterclaim on 14 December 2020 and the Defendants had subsequently filed their amended reply to the Counterclaim on 4 January 2021.

The court was informed, on 25 October 2023, of the ongoing settlement negotiations between the Parties. The Parties have since settled this matter amicably via a consent order which provides that:

- (a) all further proceedings in this suit shall be stayed upon the terms set out in the settlement agreement;
- (b) either party may be permitted to apply to the Court to enforce the terms of the settlement agreement upon which the suit has been stayed without the need to bring a new claim;
- (c) Parties have agreed that any claim for breach of contract arising from an alleged breach of the terms set out in the settlement agreement may, unless the Court orders otherwise, be dealt with by way of an application to the Court without the need to start a new claim; and
- (d) there is no order as to costs.

On 26 February 2024, FNS and Omesti were notified that the aforesaid consent order dated 6 February 2024 was approved by the Court.

- (ii) Kuala Lumpur High Court No : WA-21NCvC-27-02/2021  
Plaintiff : FNS  
Defendant : CCM

On 5 August 2019, CCM issued a termination notice (“Termination Notice”) to FNS to terminate the outsourcing agreement dated 28 November 2017 entered into between CCM and FNS (which was supplemented by a first supplemental agreement dated 28 March 2019) for the supply, implementation, training, support and maintenance of CCM’s Core Digital Registry Solution (“Outsourcing Agreement”). Pursuant to the Termination Notice, CCM alleged that FNS failed and/or neglected to complete the implementation of “Release 1” within the prescribed time frame set out in the notice of default dated 3 June 2019 issued by CCM and to fulfil all its obligations as stipulated in the Outsourcing Agreement. By reason thereof, CCM sought to terminate the Outsourcing Agreement and demanded liquidated ascertained damages in the sum of RM13.2 million from FNS.

FNS in response, via its letter dated 9 August 2019, denied CCM’s allegations and took the position, amongst others, that the Termination Notice is unlawful and premature. In this regard, FNS took the position that if CCM continues to breach the Outsourcing Agreement, FNS will be constrained to commence proceedings against CCM and the indicative sum of damages sought (which is provided by the Outsourcing Agreement) would be RM150.0 million.

The parties thereafter engaged in dispute resolution discussions as provided for under the terms of the Outsourcing Agreement.

On 8 July 2020, CCM via its solicitors issued a letter to FNS confirming that CCM has maintained its decision to terminate the Outsourcing Agreement in accordance with the Termination Notice, as CCM believes that no amicable solution can be reached between the parties.

FNS maintains the position that it is not in default of the Outsourcing Agreement and had filed a writ and statement of claim (“SOC”) on 11 February 2021 against CCM seeking the following: -

- (a) An order by way of specific performance of the Outsourcing Agreement;
- (b) Damages in lieu of the specific performance to be assessed by the Court;
- (c) Alternatively, damages to be assessed and/or sums to be determined for quantum meruit;
- (d) Alternatively, an order that the sum of RM128,178,067.84 be paid by the Defendant to the Plaintiff, as particularised in the SOC;
- (e) Further and/or in the alternative, damages to be assessed and/or sums to be determined in relation to the issue of unjust enrichment as pleaded in the SOC;
- (f) A declaration that the source code and/or intellectual property and/or confidential information as particularised in the SOC is property belonging to the Plaintiff;
- (g) An Order that the Defendant deliver up the source code and/or intellectual property and/or confidential information which is in the custody, possession or control of the Defendant to the Plaintiff within 7 days from the date of the order;
- (h) An injunction to restrain the Defendant either through its agents and/or servants and/or otherwise howsoever from using and/or distributing and/or sharing and/or publishing the source code and/or intellectual property and/or confidential information belonging to the Plaintiff and/or any part thereof for any purpose;
- (i) Damages, whether general and/or aggravated and/or exemplary, to be assessed by the Court as against the Defendant;
- (j) Interest at such rate and for such period as the Court deems fit and just in respect of the damages so awarded and assessed as aforesaid;
- (k) An order that the Defendant do pay the Plaintiff the damages so awarded and assessed together with the interest thereto as awarded aforesaid;
- (l) Costs;
- (m) Interest on such costs awarded at such rate and for such period as the Court deems fit and just; and
- (n) Such further and/or other relief which the Court deems fit and just.

CCM served their defence and counterclaim on FNS on 30 March 2021, claiming amongst others:-

- (a) RM 49,298,651.00 for liquidated ascertained damages (“LAD”) allegedly owed by FNS to CCM due to delays and costs for the payment of licencing which CCM would not have had to allegedly incur, had the Core Project been completed as per the agreed timeline under the Outsourcing Agreement;

**FURTHER INFORMATION**

---

- (b) Damages - to be assessed by Court;
- (c) Interests on all sums allegedly due;
- (d) Costs; and
- (e) An order for the delivery of all the content, materials, designs, specifications, records, accounts, detailed reports, data, documents and any other information belonging to the CCM by FNS.

FNS had filed and served its reply to CCM's defence and counterclaim on 12 May 2021 denying and disputing CCM's defence and counterclaim. Apart from the writ and statement of claim filed by FNS against CCM, FNS had subsequently filed a sealing application to ensure all documents in relation to FNS's confidential information and intellectual property including works created and/or products designed and/or developed by FNS in performing its obligations under the Outsourcing Agreement were sealed and would only be privy to parties named in the Suit and the Court. A Consent Order for the sealing application was recorded on 23 November 2021.

Additionally, the Court heard, on 28 December 2023, the discovery applications filed by both Parties - FNS's application as Enclosure 96 and SSM's application as Enclosure 100. The Court did not grant either application, save for any documents that were voluntarily agreed to be produced. FNS filed an appeal on Enclosure 96 ("Discovery Appeal") on 26 January 2024, based on our solicitor's opinion that the Court did not sufficiently consider the relevance and necessity of Enclosure 96. The Court fixed 14 January 2025 for the Discovery Appeal. Trial dates for this matter have been fixed for 13 to 16 May 2025.

The solicitors acting for and on behalf of FNS are of the view that FNS has a fair chance of succeeding in the claim and also in defending the counterclaim.
